Refunds on schedule B are itemized in all cases where aggregate refunds are in excess of \$200. Reimbursements to individuals on schedule B are memo itemized in all cases where ultimate vendors receive in excess of \$200 per year. This Committee exercises its best efforts to report the complete identification of all contributors whose contributions aggregate in excess of \$200 in an election cycle. First, this Committee makes a clear and conspicuous request for this information on its website donation platform and in advance of events and in other communications from fundraising personnel to prospective contributors. Second, contributors who do not provide that information originally receive a subsequent request within 30 days of receipt for that information primarily through email that is not itself a solicitation. The subsequent request always indicates the request is in accordance with federal law requiring the information be provided. Third, if and when that information is obtained after the filing of this report, the report will be amended.
